The Sound Approached my Ears

INNER SEARCH

The sound approached my ears... The sound of a human voice, the sound of an unwavering tree on a cliff, the sound of a bird burning in the Sun, the sound of the blood that is flowing, the sound of light in an empty vessel, the sound of a chord pulsating in ritual to the infinite vibrations of the audible current of life, the imperceptible sound, the powerful, abrupt, intense sound, the soundless sound... A book about Creative Meditation and Life.

ANDREAS DRITSAS

...Simple, isn't it?

INNER SEARCH

There is no need for the reader to agree or disagree, to accept or reject, to understand or not understand something in this book. Very simply, if they find something that "works for them", as we say, they can take it with them, if they consider that it can help them improve their life. After all, if we could say that this book has a goal, this would be to keep the door open for anyone who wants to admire the "miracle of the miracle", the Human Being and Life!

The Knowledge of the Educator

PRACTICAL PHILOSOPHY

"The teacher forges the children's consciousness; he/she works without inhibitions, with knowledge and love, both in their negative and positive expressions until the essence emerges and the real beauty blooms." The author, an educator herself, leads us through her own experiences to show how the educator's power and love spread to the whole of humanity through his/her students.

Images of a Day

INNER SEARCH

After observing events and stories of people in everyday life some questions rise: "To what extent do we observe the events that happen to us and around us? Do we live our lives consciously or unconsciously? When we make a decision, when an invisible change occurs that will deepen over the years, are we really there, or do we only think we are?"

THE CLASSICS

VOLUMES OF WISDOM

DIMITRIS KAKALIDIS

The Wisdom of the Poem

LITERATURE / PHILOSOPHY

"Each poem and a vision, each vision and a truth, a potential realization." This is a jewel book for Greek Literature; a rare, timeless, deeply philosophical piece of work with pioneering analyses of poems of Greek poets. Dimitris Kakalidis approaches, with respect and without any critical attitude, each poem; he discovers its sensitivities, its messages and at the same time he reveals its hidden essence. It is a work that opens "new, unprecedented paths in analyzing poems", as mentioned by people of the letters and arts in Greece.

DIMITRIS KAKALIDIS

The Wisdom of the Short Story

LITERATURE / PHILOSOPHY

"The Wisdom of the Short Story" is a profound and philosophical work. Dimitris Kakalidis, often in a poetical manner, analyzes the stories, delves into ideas and interprets the concepts, as he attempts to reveal the truth, which, to the degree that can be comprehended, leads to the union with the essential nature, releasing humans from the commitments of ideas and the functions of the limited mind. With his work, the writer reveals the endless potential of literature, as it constantly offers its powerful incentives for the new paths of perception and understanding of the cosmic nature by humans.

POETIC TRILOGY

DIMITRIS KAKALIDIS

The Concealed Lotus of Manifestation

POETRY / BILINGUAL EDITION

In the poetic work “The Concealed Lotus of Manifestation” Dimitris Kakalidis turns to the heart of creation, the human being. He penetrates like “a musical concert”, like a “praise at dawn” in all human aspects both positive and negative, which he glorifies with great inspiration. He yearns to bring to light the divine nature of the human being.

DIMITRIS KAKALIDIS

Fallen Paradise Holy Matter

POETRY / BILINGUAL EDITION

The poet praises Matter throughout all creation and his loud and clear-sound voice echoes in every particle of the Universe. He sanctifies Matter in its wanderings giving it its rightful place since the dawn of time. And Matter ascends to the source of its being, it is redeemed, becomes light, becomes the “Holy Matter” and spreads to the world immaculate and pure.

DIMITRIS KAKALIDIS

Logos the Third

POETRY / BILINGUAL EDITION

Poetry meets philosophy, Logos meets its echo, man meets his higher Self and they walk together dancing in harmony. In this poetic work, Dimitris Kakalidis, the “eternal sovereign”, rises the human being to the uttermost level of spiritual development from where the “realizer of winds”, the “peacemaker of waters” “emerges” and is “found” seeking the pre-eternal relation to the Universe.
