My Truth *A Psychological Thriller* By Sandra J. Paul

My truth
Two friends.
A bride who dies.
Two versions.
One unreliable narrator.
Who do you believe?

My truth is the upcoming thriller of Sandra J. Paul, an Award winning author who has gained critical and public acclaim with her previous psychological thrillers *Lost*, *Azerty* and *Murder Game*.

My Truth is her fifth psychological thriller. The unique aspect of this book is that there are two front covers and two options to read the story. The reader decides for himself which version he reads first. But ultimately, the truth is buried in the center of the book.

Black Waves *A Psychological Thriller Based on a True Story* By Eric Wewerinke

- Over **2750 copies** sold in the Netherlands
- The top 5 literary thriller of Holland's largest bookseller Bol.com (equivalent of Amazon)

To his enormous delight Tim is asked to help sail a yacht from the Netherlands to Greece. For the skipper, a millionaire called Robert, Tim's negligible sailing experience doesn't appear to present any problem at all. Once aboard, Robert keeps Tim and his friend Julia entertained with the most captivating stories.

However, as the journey progresses, Robert starts to act rather strangely. Little by little Tim begins to realize that Robert is not quite the man he appears to be to the outside world. Could it be Tim's imagination running riot after weeks at sea, or might he actually be dealing with a psychopath?

Black Waves is a thriller that gets right under your skin. A story about trust in human goodness, but also about people who present themselves differently to how they really are deep inside.

The Umbrella Men By Keith Carter

A witty and acerbic novel for our times about corporate greed, the hubris of bankers, contradictions of the clean energy economy and their unintended consequences on everyday people. Finance, environmentalism, rare-earth mining and human frailties collide in a complex of flawed motives.

We follow Peter Mount, the self-made Chief Executive of a London-based rare-earth mining company as he and his business are buffeted by crisis-torn Royal Bank of Scotland and by his own actions, real and imagined. Meanwhile in Oregon, Amy Tate and her group of local environmental activists do their contradictory part to undermine a component of the green economy, unwittingly super-charged by the Chinese state.

The repercussions of events in pristine Oregon are felt in the corporate and financial corridors of New York and London with drastic consequences. This is a deeply involving novel about the current workings of capitalism, miscommunication, causes and unexpected effects, love and survival.

'After reading a lot of claustrophobic, navel-gazing books, it is refreshing to pick up *The Umbrella Men* - a rich, immersive novel of the type that really isn't seen much these days...what makes this book so readable and likeable are the well formed characters whose lives are disrupted personally and professionally by machinations of those in power.' - **Netgalley reviewer**

'A witty, globally-scoped exposé of corporate greed and environmentalism told through an absorbing character-rich tale... Astute on the personal, environmental and financial butterfly effects of capitalism, this expansive novel is packed with surprises and reveals the complex and often contradictory interplay between human and economic forces.' - **Joanne Owen, Love Reading UK**
